# Competitions Panel?

## What will being a member of the competitions panel involve?

This group will allow you to have your say in a variety of areas that involve Adactus Competitions. The group will help decide what competitions we should run, how we should publicise them, the judging criteria etc. In previous years we have successfully held 'Garden Competitions', 'Good Neighbour Competitions' and last year we ran a 'Photography Competition'. Do you have any new ideas, e.g. a talent competition, or, suggestions on how we can improve on previous year's competitions?

If you are interested in becoming a 'Competition Panel Member', a 'Competition Judge', or even *both* please complete and return this flyer in the self addressed envelope provided.

If you decide that you would like to become a '*judge*', please be aware that unfortunately you will *not* be eligible to enter any of the competitions.
